**B. ANNOUNCEMENTS** - None

**C. AGENCY UPDATES**

**DRP** – Updated the group on general operations at the field and provided an update on the periodic review process discussed under Agenda Item D

**DPW** – Provided update about site visits to two residences as requested at the last CAP meeting concerning property damage.

**LACoFD** – Fire will conduct their next audit of the field sometime in the Fall. Last audit was conducted in December, no issues were reported

**DPH** – Reported that noise monitoring continues, and no complaints have been made in the last 9 months.

**DOGGR** – Done w/ pre-draft fracking regulations. Awaiting formal rulemaking process (1 year process). Provided updates from the operations and environmental sections.

**RWQCB** – Notified of the issuance of the recent updated NPDES permits to PXP. No noncompliance issues at this time.

**SCAQMD** – Absent.

**CCFD** – Absent.

**D. PERIODIC REVIEW 2013** – DRP provided a presentation of the periodic review process using the Process Flow Chart. The discussion centered on the process and timing. Various agencies discussed potential issues that could be brought for consideration under the periodic review. Agencies agreed to provide information in writing to DRP as the process moves forward.

**E. ADJOURN**

Next MACC meeting will tentatively set for Fall, 2013.
